

# Dancing Through Life

## Strategies to go from Exhausted to Energized

Imagine being connected to a world bigger than your own.

A world filled with love, support and guidance that is available for the asking!

**Free workshop: April 23, 7:00 to 9:00 pm**

**At: Healing Oceans Wellness, 182 Tamarack Circle, Skillman, NJ 08558**

**Join us to discover:**

- How to feel at ease in the midst of chaos and busyness.
- A powerful method of using your own deep inner guidance to help you make the best decisions you'll ever make in life.
- How to connect to support beyond your wildest imagining.

**Jodee Chizever** has studied with elders and sacred leaders from multiple cultures and around the world to guide people back to their own sacred powers.

She blends powerful mystic traditions with practical strategies to help you slow down, connect into your inner wisdom and make the choices that get you on track to a life filled with passion.
